How Can a Subscription Model Benefit Your Business?

Lawyers that know your business inside out

You'll receive better advice and support when your solicitors know your business. This invaluable asset comes only with our continued engagement.

Pay for what you need with a fair and innovative pricing model

Avoid paying hefty legal fees for quick questions that take only five minutes to answer. Our premium plans even allow the rollover of unused hours.

Starting from £50/week (ex VAT) discounted hourly rates for members

Startups get access to a London-based solicitor at a fraction of the cost. Larger companies receive a discounted hourly rate of £180/hour, compared to the usual £300/hour for non-members.

Membership Benefits

6

✓ No Long-term Commitment

Unlike traditional retainers, our plans can be cancelled at any time!

✓ Unbeatable Fees

Our members enjoy a discounted fee structure up to 65% cheaper than City firms. (We're based in London too!)

✓ SMS Management

At a base level, you'll receive advice and support to help you navigate your SMS.

✓ Full Immigration Support

Get comprehensive and well-rounded immigration support from senior solicitors.

✓ Startups & Enterprises

Our plans are designed to be financially sensible for startups and comprehensive for enterprise clients.

✓ Partner Level Solicitors

Work with experienced and respected solicitors rather than paralegals and barristers.

✓ Benefits for Startups & Small Teams

You might find yourself in this situation: you have completed 90% of the required work but are unsure about a few nuances and need to speak to a lawyer. You'd either have to rely on free online guides or pay more than £300 per hour just to ask a question that could be handled via email.

Rove Legal's plan provides access to an immigration lawyer with sufficient support time to offer advice and assistance at a fraction of the cost.

✓ End-to-End Support For Enterprise Clients

Up to 5 applications a year £600

Up to 10 applications a year £1000

Up to 20 applications a year £1500

- Minimum savings of £6000 per year
- Unmatched speed response
- Our audit will ensure there are no surprises when it comes to a Home Office visit
- Access to online training courses
